For Most City Employees

2010

City of Seattle

for health and living — take charge

January, 2010

Dear City Employee,

City government's purpose is to provide services to visitors, citizens and taxpayers. In order to carry out that responsibility, the City of Seattle employs about 11,000 people. As a regularly appointed employee, the City offers a benefits package that helps provide for your and your family's health care, disability and survivor needs. We make it a priority to offer choices to help you address your unique financial needs.

This benefits guide includes information to help you choose the insurances that best fit your needs. You will find information on City of Seattle employee benefits, answers to many commonly asked questions, and important deadlines for new employees. This booklet also covers other work/life programs that are designed to help you manage your life and promote a satisfying and productive relationship between you and the City. Additional information is available from your department's Human Resources Representative.

Sincerely,

Mark M. McDermott, Director
Personnel Department

Please note: We've made every attempt to ensure the accuracy of this information. If there is any discrepancy between this booklet, the insurance contracts, other legal documents or the terms of an authorized collective bargaining agreement, the contracts, legal documents and applicable collective bargaining agreements will always govern.

The City of Seattle intends to continue these plans indefinitely but reserves the right to amend or terminate them at anytime in whole or part, for any reason, according to the amendment and termination procedures described in the legal documents. This booklet does not create a contract of employment with the City of Seattle.

If you have difficulty understanding the information in this Guide

Help is available if you have trouble reading or understanding this Guide. If the problem you have is not addressed below, please call the City Benefits Unit at 206-615-1340 so we can provide the assistance you need.

- **English is Your Second Language?** If English is not your native language, translators are available to help you. Many City employees have volunteered to translate for fellow employees. To find someone who “speaks your language” click here http://inweb/LanguageBank/LB_Lookup.asp. Inside the light blue box, click the arrow next to the white box and find the language you speak. Click the GO button. You will find a list of employees who speak that language. If the “Translate” box contains a “Y,” that person will translate for you. Call and find a time he/she is available; make an appointment with the City Benefits Unit (206-615-1340) and bring that person with you. Together we’ll help you understand your City benefits.

If you do not have access to a computer, ask your Department’s HR/Benefits representative to help you, or call the Benefits Unit at 206-615-1340.

- **Hearing Impaired?** If you use a TDD, the City provides translation services. Call 7-1-1 or 1-800-833-6384 on your TDD. You will be connected with the Washington Relay Service. Give them the number of the party you wish to call. They will call the person for you, then translate information from your TDD to the person you are calling.
- **Visually Impaired?** This Guide is available in a larger font. To request an electronic copy, contact the Benefits Unit at 206-615-1340.
- **Would rather *hear* the information than *read* it?** If your understanding is improved by having someone read or paraphrase information for you, you are invited to attend a benefits orientation. Orientations cover all City benefits and provide ample time for questions. You can meet with the presenter after the session if you have additional questions or questions you would like to ask confidentially. Orientations are held every week - call 206-615-1340 to sign up.

If you have further questions or concerns or would like to speak to someone confidentially, call the Benefits Unit (206-615-1340).

Eligibility and Coverage Information

The City of Seattle provides employees and their families a range of benefit options to support individual financial planning.

Medical

The City offers regular employees and their dependents a choice among four healthcare plans:

- City of Seattle Preventive (Aetna)
- City of Seattle Traditional (Aetna)
- Group Health Standard
- Group Health Deductible

Dental

The City offers dental coverage through Washington Dental Service and Dental Health Services.

Vision

The City offers vision coverage through Vision Service Plan.

Life Insurance & Long-Term Disability (LTD)

The City offers Basic Long-Term Disability insurance and shares the cost of Group Term Life insurance, both of which can be supplemented by the employee.

Accidental Death & Dismemberment (AD&D)

The City offers an employee-paid group AD&D insurance plan.

Flexible Spending Accounts (FSAs)

Employees can pay for employment-related dependent care costs and/or eligible health care expenses with up to \$5,000 per account per year in pre-tax dollars.

Long-Term Care (LTC) Insurance

The City offers an employee-paid LTC plan to cover the costs of home health and nursing home care.

Deferred Compensation

The City offers a tax deferred "457" plan which allows employees to invest current, pre-tax earnings to generate additional retirement income.

Employee Assistance Program (EAP)

The City provides an independent professional, confidential counseling service to assist employees with personal or work-related problems.

Eligibility and Coverage Information

Eligibility for Regular Employees

If you are a regularly appointed employee in a full- or part-time position (at least 80 hours per month), you are eligible to participate in the medical, dental, vision, life, AD&D, LTD, FSA, deferred compensation, LTC and EAP plans.

Eligible Dependents

The following family members are eligible to participate in the medical, dental, vision, supplemental life insurance, accident coverage, LTC insurance and EAP programs:

- Your spouse or domestic partner (an Affidavit of Marriage/Domestic Partnership must be filed with your Department's Human Resources Unit)
- Your children, and your spouse's or domestic partner's children who are under age 25, unmarried, living with you, and primarily dependent on you for support regardless of whether they are in school.
- Coverage may continue for a handicapped/incapacitated child if the child becomes disabled prior to the limiting age, provided that proof of his or her fully handicapped/incapacitated status has been documented by a physician.

New Employee Enrollment

If you are a newly hired employee, you must enroll in/apply for medical, dental, vision, life, AD&D and/or supplemental LTD coverage within 31 days of your hire date. You have two enrollment options: 1) online through the Employee Self Service portal, or 2) by submitting a *Benefit Election Form* to your Department's Human Resources Representative. If you miss the deadline, you must wait for the next open enrollment period. For guaranteed acceptance into the Long-Term Care Program, you must enroll within 60 days.

If you do not enroll in life or LTC insurance coverage when first eligible, you will be required to complete a *Medical History Statement* or *proof of good health* for the insurance carrier. If you enroll later, you are not guaranteed coverage as you are when first eligible. Supplemental disability has longer preexisting condition restrictions if you apply at a later date.

Eligibility and Coverage Information

When New Employee Coverage Begins

Coverage begins for you and your dependents on your first day of employment if that date is:

- the first calendar day of the month designated as a City business day, or
- the first calendar day of the month designated or recognized as the first working day for the shift to which you are assigned, whichever is later.

If your employment begins after this date, your coverage will begin the following month. To be covered, you must enroll within 31 days of hire.

What if I miss the enrollment deadline?

If you fail to enroll online or submit your enrollment forms within 31 days of your hire date, you will not be able to enroll in a medical plan until the next open enrollment period (or within 31 days of a change in family status). However, you will automatically be enrolled for dental and vision coverage. Your dental coverage will default to the Dental Health Services plan.

You also will need to meet additional requirements to be eligible for Life Insurance and Long-Term Disability Insurance (LTD). You will be required to submit a Medical History Statement and have it approved by the insurance company in order to be eligible for Life Insurance coverage. You will have an additional waiting period for LTD.

How do I enroll?

To enroll in medical, dental, vision and FSA coverage, you must enroll online or submit benefit election forms to your Human Resources Representative within 31 days of your hire date. Online enrollment is at <http://selfservice/>.

If you choose paper forms, make sure all forms are complete, signed and dated before they are submitted. Forms are available at the end of this booklet, from your Human Resources Representative or on the Personnel Department's Benefits website at <http://personnelweb/benefits>.

Eligibility and Coverage Information

Can I enroll my dependents?

Yes, the following dependents are eligible:

- Your spouse or domestic partner;
- Your birth or adopted children, or children placed for adoption;
- Children of your domestic partner who live with you;
- Stepchildren who live with you; or
- Any child for whom you are legal guardian or for whom coverage is required by a Qualified Medical Child Support Order.

To be eligible for coverage, dependent children must be under age 25 and unmarried, living with you, and primarily dependent on you for support. Dependents may be covered on the following plans:

- AD&D (family coverage)
- Group Health Cooperative plans
- Preventive Plan (Aetna)
- Traditional Plan (Aetna)
- Washington Dental
- Dental Health Services
- Vision Service Plan
- Supplemental Group Term Life Insurance

Visit <http://personnelweb/benefits> for more information.

Coverage may continue after age 24 for a handicapped/incapacitated child if the child becomes disabled prior to the limiting age, provided that proof of fully handicapped/incapacitated status has been documented by a physician.

Call your department human resources representative or the City's Benefits Unit (206-615-1340) if you have questions.

How do I disenroll my dependents?

You can end a dependent's coverage any time during the year. Disenrollment can be made through employee self-service or by submitting a completed Benefit Election Form to your department's benefits representative.

If you end your spouse or domestic partner's coverage due to a termination of the marriage/partnership, a completed Statement of Termination of Marriage/ Domestic Partnership form also must be submitted to your department's benefits representative. You cannot file a new Affidavit until 90 days have elapsed from the termination of the prior marriage/partnership, unless the termination was due to the spouse or domestic partner's death.

Eligibility and Coverage Information

Changing Your Benefits

There are two opportunities to change your benefit choices:

- Open enrollment
- Mid-year changes if there is a change in family or job status.

Open Enrollment

Open enrollment is held once each year in the fall. During this time, you can change your benefits plans, add and drop dependents, and add or drop coverages. If you make changes during open enrollment, your new coverage is effective on January 1 of the new (next) plan year. Increases in your Life insurance coverage are subject to the approval of your *Medical History Statement* by the life insurance carrier.

Fall is also the time to enroll in the Flexible Spending Account program (Health Care and Dependent Care). You must re-enroll every year, even if you had an account the previous year. Open enrollment changes can be made online or with paper forms.

Life Events that Affect Your Benefits

You must enroll a new spouse or domestic partner within 31 days of your marriage or establishment of a domestic partnership. You have 60 days to add a child acquired through birth, adoption, placement for adoption, legal guardianship, marriage or domestic partnership. If you miss the deadline, you can only add dependents during the annual open enrollment period unless you have a family change of status.

If you have a change in family status, you may be able to make a related change to your benefits. Here are several examples. Contact your Human Resources representative if any of the following occur.

- You adopt a child, you may add coverage for that child (you may not add coverage for your other children at that time).
- Your child loses coverage under your spouse's coverage, you may add this child to your plan.
- You get married or form a domestic partnership, you may enroll your new spouse or domestic partner and his/her eligible children.
- Your spouse or domestic partner loses coverage due to termination of employment, change in employment status, or beginning an unpaid leave of absence.
- Your spouse or domestic partner gains coverage due to start of employment, change in employment status, or ending an unpaid leave of absence.
- You get divorced, separate, or dissolve a domestic partnership.
- Your dependent child no longer meets the age requirements for medical/dental/vision.

Benefits and Financial Planning

Because everyone's medical and financial situations are different, the City offers a variety of plans to help protect employees and their families from the financial hardship that unusual medical expenses can bring. The plans are designed to cover much of the cost of medically necessary health care services. However, employees still bear a portion of their medical service costs in the form of premiums, deductibles, copayments and coinsurance.

Since health care costs may be unanticipated, it makes sense to plan in advance and save for your out-of-pocket costs. If you can accurately anticipate some medical, dental and/or vision expenses for the following year – such as prescriptions, glasses, orthodontia, office visit copays and deductibles. The Health Care FSA is a tool to support your financial planning and maximize the value you get for dollars spent on health care. You can use the Health Care FSA during Open Enrollment to set aside pre-tax dollars to pay for eligible out-of-pocket medical expenses for you and your family. Here are additional ways to cut costs and save money.

- Quit smoking and encourage your family to quit. Enroll in the City's free tobacco cessation program by calling Free and Clear at 1-866-QUIT-4-LIFE (1-866-784-8454). Any of your dependents age 18 and over may enroll.
- Be more active and eat nutrient dense food. Many diseases and conditions are preventable, and healthy behavior reduces your future health care costs and enhances your life now.
- Go to check ups and screenings. Have regularly scheduled physical examinations by your doctor, dentist, eye doctor and so on. Take advantage of free medical screenings, flu shots and go to the City's wellness and benefits fairs.
- Choose the best health plan for you and your family. There is more to selecting a good health plan than just the payroll deduction. If you are shopping for a health plan, compare the premiums along with what is and is not covered by the various plans.
- Stay within the network. Look for doctors and health care providers that are within the plan's network. If you participate in an Aetna plan and require a specialist, make sure you use an Aexcel specialist, which will save you 10%.
- Review medical bills carefully. Billing errors can cost you hundreds or even thousands of dollars. Contact the billing office if there is an error or you do not understand your bill. You may be able to negotiate fees and bills that you feel are too high.

Paying for Benefits

Paying for Benefits

If you elect medical coverage, the City of Seattle pays most of the premium for you and your eligible, enrolled dependents. The amount you pay depends on which plan you select and whether you cover a spouse or domestic partner. Dental and vision are fully paid by the City for most employees.

Payroll Deductions

Medical

Medical premiums are deducted each month on a pre-tax basis. Pre-tax deductions are exempt from Social Security taxes. This may slightly reduce your future Social Security benefits, but most people find that ongoing tax savings outweigh a future reduction in Social Security benefits, if any. If this is a concern for you, we recommend that you discuss it with your financial advisor. (Premium amounts paid for a domestic partner cannot be taken on a pre-tax basis if your partner is not a dependent on your IRS tax form.)

**See page 18
for medical
premiums**

Your share of the cost for your medical premium is taken in equal amounts from the first and second paychecks of the month for the coming month on a pre-tax basis. For example, premium deductions taken from the March paychecks provide for April coverage.

Costs for each plan may change from year to year. You will get next year's information during the annual Open Enrollment.

Supplemental Long-Term Disability

Your Supplemental LTD after-tax deduction is taken from your second paycheck of the month. The premium amount you pay for Supplemental LTD coverage may vary each month because it is a percentage of your monthly earnings.

Accidental Death and Dismemberment

Your AD&D after-tax deduction is taken from your first paycheck of the month for that month's coverage.

Long-Term Care

Your LTC Care after-tax deduction is taken in equal amounts from your first and second paychecks each month.

Flexible Spending Accounts (Health Care & Dependent Care)

Your FSA pre-tax deduction is taken in equal amounts from your first and second paychecks each month.

Eligibility and Coverage Information

When Coverage Ends

Your medical/dental/vision, Basic and Supplemental Long-Term Disability, Basic and Supplemental Life and AD&D coverages end on the last day of the calendar month in which:

- You are no longer eligible
- You resign, retire or are terminated
- You stop making any required payment.

Your medical, dental and vision coverages will also end on the day:

- The plan terminates
- You die (your dependents' coverage will end on the last day of the calendar month in which you die).

To help you maintain health coverage, Congress passed the Consolidated Omnibus Reconciliation Act (COBRA) in 1986. Under this law you are eligible to purchase continuing medical only or medical/dental/vision coverage under certain circumstances when your group health plan coverage with the City ends.

How to Continue Coverage

If you are a City employee and are receiving medical, dental and vision coverage, you and your covered dependents have the right to elect COBRA continuation coverage for up to 18 months if your coverage is lost because of one of these qualifying events:

- Your employment ends for a reason other than gross misconduct
- Your work hours are reduced to the point where you no longer are eligible for benefits.

The 18-month COBRA continuation period may be extended to 29 months if you or a family member (who is a qualified beneficiary) is disabled according to Social Security at the time of one of the aforementioned qualifying events. This 11-month extension is available to all qualified beneficiaries who lose coverage due to termination of employment or a reduction of hours. Covered family members have the right to choose COBRA continuation coverage for up to 36 months if coverage is lost for any of the following qualifying events:

- Death of the employee
- Divorce or legal separation of the employee and spouse. (The City also allows domestic partners to continue coverage in the event the partnership is dissolved.)
- A dependent child loses dependent child status under the terms of the City's plan.

The Life, AD&D, and disability plans have conversion options. You can continue your Long-Term Care by requesting direct billing.

How to Choose a Medical Plan

The City offers four different medical plans. Plan features, coverages and costs vary. The City's self-insured plans offer unlimited choice of doctors; coverage is higher if you use doctors in the Aetna network. The Group Health Cooperative (GHC) plans require that you use the GHC network of doctors, clinics, hospitals and pharmacies, but offer a higher level of coverage.

Plans offering higher coverage (City Preventive and Group Health Standard) have lower copays but higher monthly premiums. Plans with larger annual deductibles have lower or no monthly premiums (City Traditional and Group Health Deductible).

When making your decisions, you should consider cost, choice, and coverage. Here are some questions to ask yourself:

- Do you want a plan that allows you to choose any doctor, hospital or clinic (City self-insured plans) or are you willing to stay within a network (GHC) and receive a higher level of coverage?
- Would you rather pay higher monthly premiums to have a small annual deductible (City Preventive Plan) or no annual deductible (GHC Standard Plan) and smaller copays?
- Would you rather pay lower or no monthly premiums and have higher coinsurance and deductibles (GHC Deductible and City Traditional plans)?

The following very brief plan descriptions may help you make these choices.

Health Care Options

City of Seattle Self-insured Plans	The City has two self-insured plans — the Preventive Plan and the Traditional Plan. The plans use the Aetna provider network, and Aetna administers the claims.
Preventive Plan	This plan has a \$100 annual deductible per person (\$300 per family) and a \$15 copay for all office visits except preventive care (which is covered at 100%). The deductible applies to most services except where a copay applies. Most other services are covered at 90% after a copay if you use an Aetna network provider.
Traditional Plan	This plan has a \$400 annual deductible per person (\$1,200 per family). Most services are covered at 80% if you use an Aetna network provider. Most preventive care is not covered.
What If Don't Use the Aetna Network?	Both of the City's self-insured plans include the Aetna network of doctors; however, you choose whether to use a network or non-network provider when you require care. If you choose a doctor who is not in the network, you will pay a higher percentage of the cost of the visit. Another issue to keep in mind is that prices charged by a non-network provider are often higher than those charged by a network provider. If you use a non-network provider, you will pay 40% of the network cost for a service, and your doctor may charge you the entire amount over the established network price.
Aetna's Aexcel Network	Aetna has a special sub-network, called the Aexcel network, which consists of doctors who specialize in the following areas: cardiology, cardiothoracic surgery, gastroenterology, general surgery, obstetrics/gynecology, orthopedics, otolaryngology, neurology, neurosurgery, plastic surgery, vascular surgery and urology. Doctors were selected for this special network because they meet screening criteria in the areas of experience, performance, effectiveness and efficiency. If you need care in one of these areas and you do not choose a doctor from the Aexcel network to provide that care, you will pay 10% higher coinsurance. You do not need a referral to see a specialist.
Aetna Navigator	Aetna has a member website called Aetna Navigator. Through the site (www.aetn navigator.com) you can locate detailed claim information, review your benefits, request changes, find service providers, and email member services.
Simple Steps to a Healthier Life	Traditional and Preventive plan members have access to a health risk assessment – <i>Simple Steps to a Healthier Life</i> . Following completion of a questionnaire, you will receive a health report and a personal action plan along with access to healthy living programs.

Health Care Options

Group Health Cooperative	<p>Group Health Cooperative (GHC) is a health maintenance organization which provides an integrated system of health care services. All services are delivered in GHC clinics, hospitals and pharmacies. You must use GHC providers and facilities unless a GHC doctor refers you elsewhere. You do not need a physician's referral to see most GHC specialists.</p> <p>The City offers two plans through Group Health Cooperative.</p>
GHC Standard Plan	<p>This is a managed care plan with no deductible and an office copay of \$15. Most services are covered at 100% after payment of a copay. Preventive care is covered.</p>
GHC Deductible Plan	<p>This is a managed care plan with a \$200 annual deductible per person (\$600 per family) and a \$15 office copay. The deductible does not apply to ambulance service, prescription drugs, durable medical equipment and preventive visits (preventive visits do have a copay). After the deductible is satisfied, most services are covered at 100% after the copayment. This plan has a smaller emergency room copay than the Standard plan, and does not have an inpatient copay.</p>
My Group Health	<p>The health care website is My Group Health at www.ghc.org. Members can request appointments and exchange emails with their provider, view their online medical record, refill prescriptions online, and view lab and test reports. The provider and facilitator directory, and drug formulary are all accessible online.</p>
Momentum	<p>The plan has a health risk assessment called <i>Momentum</i>. Members complete the health profile and receive a report and personalized action plan. Free healthy lifestyle coaching is available.</p>

2010 Premium Sharing

Effective January 1, 2010, you will pay the monthly premium amount listed below. The table also shows the total premium amount each month for each employee's coverage, and the City's contribution.

Medical Plan	Employee's Monthly Premium (with or without children)	City's Contribution toward Total Premium	Total Monthly Premium
City of Seattle Preventive	\$48.12	\$851.58	\$899.70
City of Seattle Traditional	\$ 0.00	\$813.11	\$813.11
GHC Standard	\$48.40	\$818.60	\$867.33
GHC Deductible	\$25.00	\$773.63	\$798.63

Medical Plan	Employee's Monthly Premium	City's Contribution toward Total Premium	Total Monthly Premium
	with Spouse/Partner (with or without children)		
City of Seattle Preventive	\$98.50	\$801.20	\$899.70
City of Seattle Traditional	\$32.34	\$780.77	\$813.11
GHC Standard	\$99.90	\$767.43	\$867.33
GHC Deductible	\$56.92	\$741.71	\$798.63

Your premium will be divided into two equal payments and taken from the first two pay checks of the month before the actual month of coverage. (Deductions taken in January will pay the February premium.) No premiums are deducted from the third paycheck. Premiums are deducted on a pre-tax basis, reducing your taxable income.

Health Care Options

Enrolling Spouse/DP

To cover a spouse or domestic partner (and dependents of your domestic partner), you must complete a Benefit Election form and an Affidavit of Marriage/ Domestic Partnership. If you enroll your domestic partner and your domestic partner's children, you will be taxed on the value of their medical coverage if they are not your tax dependents. (The value of the benefits will be imputed to your gross income.)

After Tax Premium Contribution for Same-Sex Spouse/ Domestic Partner

If you choose to cover a domestic partner or same-sex spouse **who is not your IRS tax dependent**, the portion of the premium deducted from your paycheck (your contribution) that pays for his/her coverage must be taken "after tax" to comply with IRS regulations. The column headed "**Monthly Premium Contributions Taken After Taxes**" shows the portion of your monthly premium contribution that will be deducted from your paycheck after taxes are paid.

Medical Plans	Monthly Premium Contribution Taken After Taxes for Domestic Partner/Same-Sex Spouse
City of Seattle Preventive	\$50.38
City of Seattle Traditional	\$32.34
GHC Standard	\$51.50
GHC Deductible	\$31.92

In addition, if your domestic partner/same-sex spouse, your age 19-24 year old children and/or your partner's non-IRS tax dependent's children do not qualify as your IRS tax dependents, you will also be taxed on the City-paid **value** of their medical, dental and vision coverage as required by IRS regulations. The following amounts will be listed on your paycheck as taxable income each month and are subject to federal income and Social Security tax withholding. These values have been adjusted to reflect the premium amounts taken after-tax (as explained above) so you are not taxed twice.

Domestic Partner/Same-Sex Spouse and Age 19-24 Year Old Child (Non-IRS Tax Dependent) Coverage Information

If your domestic partner/same-sex spouse, your age 19-24 year old children and/or your partner's non-IRS tax dependent's children do not qualify as your IRS tax dependents, you will also be taxed on the City-paid **value** of their medical, dental and vision coverage as required by IRS regulations.

The following amounts will be listed on your paycheck as taxable income each month and are subject to federal income and Social Security tax withholding. These values have been adjusted to reflect the premium amounts taken after-tax (as explained earlier) so you are not taxed twice.

Plan Comparison Examples

The following table compares the plans in four different scenarios where employees would use services: a routine physical exam, a regular office visit (such as for an illness), outpatient treatment at a hospital, and surgery performed by a specialist. Costs for each service are compared by plan. For a more complete summary of benefits by plan, see the table that follows this example.

* Applies to Aetna -- Recognized charges are the lower of the provider's usual charge for performing a service, and the charge Aetna determines to be the recognized charge percentage in the geographic area where the service is provided.

** Applies to Aetna – Aexcel network, a specialty network of doctors in 13 specialty areas. The coinsurance level will drop 10% for non-Aexcel doctors in the 13 specialty areas (coinsurance applies to in-network, out-of-pocket maximum).

Prescription Drug Plans

Prescription Drug Retail Program

Aetna classifies medications into three tiers:

- Generic
- Preferred brand-name
- Non-preferred brand-name

Group Health Cooperative uses two classifications:

- Generic
- Preferred brand-name (no coverage for non-preferred brands)

With the Aetna plans, you pay 30% of the actual cost for generic drugs, and 40% for preferred and non-preferred brand-name drugs (up to a maximum of \$100 per drug per month). There is a \$1,200 annual out-of-pocket maximum per member for retail and mail order drugs.

There is an exception for two drug classes—proton pump inhibitors and non-sedating antihistamines. The City will pay \$20 towards the cost of these drugs and you pay the remaining amount, whether you purchase the medication over the counter or as a brand name drug with a prescription from your doctor.

Present your ID card at any Aetna network pharmacy. Prescriptions filled at a non-network pharmacy will not be covered. You may contact the toll-free Member Services number on the back of your ID card to find a participating pharmacy, or check the website www.aetnavigators.com

You are responsible for a \$15 copay for generic drugs and a \$30 copay for brand name drugs. All prescriptions must be filled at a GHC pharmacy. Prescriptions filled at any non-GHC pharmacy will not be covered.

Dental Options

You may choose between two dental plans - Washington Dental Service (WDS) and Dental Health Services (DHS) - for your dental coverage.

Washington Dental Service

If you select WDS, you can choose any dentist, but your out-of-pocket expenses may be lower if you choose a dentist who belongs to the WDS network.

Selecting a WDS dentist means:

- The portion of the dentist bill you pay is smaller than if you use a non-network dentist.
- You do not need to submit a claim - the dentist's office will submit the claim form.
- After you pay your portion of the bill, the dentist will not bill you more for a covered service. (A non-WDS dentist may bill you for the portion of the bill that WDS does not cover.)

Payment of Basic Services

The WDS Plan is designed to encourage regular dental care. Each calendar year of your employment (January 1 through December 31) WDS pays an increasing share of certain dental costs up to 100%. During the first calendar year, allowable diagnostic and preventive services are covered at 70% after the \$50 annual deductible, *even if you had WDS coverage through a previous employer*. Each year the payment level advances 10% up to 100% as long as the eligible person obtains regular dental care and the \$50 annual deductible is met. For example, if you satisfy the deductible and use the plan's benefit during the first year, the plan pays 70%. If you satisfy the deductible and use the plan's benefits during the second year, the plan then pays 80%.

If you fail to use basic services in a calendar year, the payment level will decrease 10% the following year. Payment levels will increase only if benefits are utilized in that year. However, the payment level will not drop below 70%.

Orthodontia

WDS offers orthodontia benefits for dependent children. Pre-treatment estimates are recommended. The orthodontia benefit is paid at a 50% level to a lifetime maximum of \$1,500 for each eligible child. There is no adult orthodontia coverage.

Plan Ahead

Use your medical Flexible Spending Account to pay your portion of orthodontia with pretax dollars.

Dental Options

Dental Health Services

The Dental Health Services Plan provides greater benefits for services received in network than if you enroll in WDS, but the DHS network of participating dentists is smaller.

Selecting a Dental Health Services dentist means:

- There are no deductibles or annual maximums.
- Coverage does not decrease if you do not visit your dentist regularly.

Payment of Basic Services

This plan has an office visit copay of \$10 for all employees. There are also copays for selected services. The plan comparison on the next page lists services and copay requirements.

Orthodontia

DHS offers both child and adult (age 25 and over) orthodontia. Orthodontia charges include: a copayment of \$1,800 per adult or \$1,000 per child for orthodontic treatment; a \$150 charge for the initial exam, study models and X-rays; and a \$10 copay for each visit during the course of treatment.

Plan Ahead

Use your medical Flexible Spending Account to pay your portion of orthodontia with pretax dollars.

Optional Insurance

Optional Insurance Choices

The following is a list of all your optional insurance choices. The City of Seattle offers paid Basic Long-Term Disability Insurance and shares the cost of Group Term Life Insurance with you. Accidental Death and Dismemberment and long-term care insurance premiums are paid in full by the employee. You can purchase additional insurance coverage within 31 days of your hire date, during an open enrollment period, or within 31 days of a qualifying change in family status.

- Supplemental Long-Term Disability insurance for yourself
- Life insurance for yourself and dependents
- Accidental Death and Dismemberment (AD&D) insurance for yourself and dependents
- Long-term care insurance for yourself

Long-Term Disability (LTD)

The basic benefits package provided by the City includes a Long-Term Disability (LTD) policy that will pay you a portion of your monthly pay if you are sick or injured and cannot work. If you are disabled according to the plan definition, the benefit will combine with other income sources, if any, to pay you up to \$400 per month after a 90-day waiting period while you are unable to work.

Supplemental LTD

The City offers the opportunity to purchase additional LTD coverage. The additional LTD protection will combine with other income sources, if any, to provide you with 60% of your monthly base pay over \$667 up to a maximum \$8,333 of monthly base pay.

If you do not sign up for Supplemental LTD coverage as a new employee, you can elect to add Supplemental LTD earnings protection during a subsequent open-enrollment period; however, you may have a longer waiting period for pre-existing conditions.

NOTE: Long-Term Disability Insurance information for LEOFF II Police and Fire sworn employees is available through your union.

The cost for this additional level of earnings protection is figured according to the following formula:

How Much Will Additional Disability Coverage Cost?

Subtract \$667 from your base monthly pay.
Multiply the remaining amount by .0075.

For example, if your base monthly pay is \$2,000, your monthly premium would be \$9.99 per month.

$$(\$2,000 - \$667 = \$1,333 \times .0075 = \$9.99/\text{month})$$

Your monthly cost will increase each time your pay increases.

Optional Insurance

How to Decide if You Need Supplemental LTD

When deciding whether or not to purchase Supplemental LTD, ask yourself the following questions:

1. If I were unable to work for a period of time, would I be able to support myself/family on the basic benefit of \$400 per month?
2. Do I have personal savings or other sources of income to maintain my current lifestyle if I am unable to work?

If you answer “no” to either of these questions, you may want to consider purchasing Supplemental LTD coverage.

If you are currently eligible to receive a retirement benefit from the City or you were to leave employment if you became disabled, you may not want to elect this coverage because the maximum LTD benefit you would receive under those circumstances would be \$100 per month.

Optional Insurance

Group Term Life (GTL) Insurance

The City benefits program includes two levels of optional Term Life Insurance: Basic and Supplemental. The City and you pay for Basic Life Insurance; you pay the full cost for Supplemental Life Insurance. You can sign up for Group Term Life Insurance within 31 days of your hire date, during an open enrollment period, or within 31 days of a qualifying change in family status.

Basic Life Insurance

This optional coverage provides you with a Term Life Insurance benefit amount equal to one-and-a-half times your annual salary. The City contributes 40% of the cost and you pay the remaining 60% of the cost. A table with information regarding the monthly cost of Basic Term Life Insurance follows.

If you sign up for Basic Term Life Insurance as a new employee, you are guaranteed coverage. However, if you sign up for it later, you will be required to complete a Medical History Statement, which must be approved by the insurance company before your life insurance takes effect. If you have certain health conditions, you could be denied coverage.

This policy includes a conversion privilege which allows you to continue some level of coverage if you leave City employment. Conversion is guaranteed, which means you can continue the policy regardless of any existing medical condition. It is more costly because of this provision, but could allow you to maintain coverage when you otherwise might not qualify for new life insurance coverage.

Limited Basic Life Insurance

IRS rules state that the value of Basic Life Insurance over \$50,000, which is paid for by the City, is taxable. Because the City pays 40% of the cost for your Basic Term Life Insurance, you may have some taxable value. If you do, the amount on which you pay taxes will be shown on your second paycheck each month. You may limit your Basic Term Life Insurance coverage amount to \$50,000 to avoid the additional taxes by signing a notarized Waiver form available from your department Human Resources Representative.

Optional Insurance

	Basic Life Insurance/Cost to Employees		
	Annual Earnings	Monthly Cost	Amount of Insurance
Employees' Cost for Basic Life Insurance (based on annual earnings)	\$49,000.01 – 50,000	\$4.95	\$75,000
	\$50,000.01 – 51,000	\$5.05	\$76,500

	\$59,000.01 – 60,000	\$5.94	\$90,000
	\$60,000.01 – 61,000	\$6.04	\$91,500
	\$61,000.01 – 62,000	\$6.14	\$93,000
	\$62,000.01 – 63,000	\$6.24	\$94,500
	\$63,000.01 – 64,000	\$6.34	\$96,000
	\$64,000.01 – 65,000	\$6.44	\$97,500
	\$65,000.01 – 66,000	\$6.53	\$99,000
	\$66,000.01 – 67,000	\$6.63	\$100,500
	\$67,000.01 – 68,000	\$6.73	\$102,000
	\$68,000.01 – 69,000	\$6.83	\$103,500
	\$69,000.01 – 70,000	\$6.93	\$105,000
	\$70,000.01 – 71,000	\$7.03	\$106,500
	\$71,000.01 – 72,000	\$7.13	\$108,000

Your basic coverage amount is equal to your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.066 times each \$1,000 of coverage.

For example, if your salary is \$78,600 per year, round it up to \$79,000. Your coverage amount is \$118,500 (Calculation: $\$79,000 \times 1.5 = \$118,500$). Your premium is \$7.78 per month (Calculation: $\$0.066 \times 118$).

Optional Insurance

Supplemental Term Life Insurance

The City offers an additional life insurance option—Supplemental Term Life. As long as you are enrolled for Basic Term Life Insurance, you may purchase Supplemental Life Insurance for yourself and your eligible family members. You pay the entire cost for Supplemental Term Life Insurance coverage. In order for your family members to be covered, you must first enroll yourself.

This coverage is subject to various election rules:

- You may purchase up to four times your base salary in Supplemental Term Life Insurance for yourself. The amount is rounded down to the nearest \$5,000. For example, if your salary is \$34,000 and you purchase one times your base salary, your actual coverage amount is \$30,000.
- To cover your spouse/domestic partner, you may purchase in multiples of \$5,000 up to a maximum of 50% of the amount of coverage you purchase on yourself. For example, if you purchase \$120,000 of Supplemental Term Life Insurance on yourself, you may purchase up to \$60,000 of coverage for your spouse/domestic partner.
- You may purchase \$2,000, \$5,000 or \$10,000 of coverage for each child of your children. Children may be covered until their 21st birthday, or 25th birthday if they are full-time students. Coverage cannot exceed 50% of the amount of supplemental coverage you purchase for yourself.

Election rules also state:

- If the Supplemental Term Life Insurance maximum of four times your basic salary exceeds \$500,000 when added to the amount of your Basic Life Insurance, you will need to complete and submit a Medical History Statement regardless of when you enroll.
- If you do not sign up when first eligible, you must submit a Medical History Statement and your coverage will be subject to approval.
- When you are first eligible, you can purchase up to \$50,000 in Supplemental insurance for your spouse/domestic partner without a Medical History Statement. If you want to purchase more than \$50,000 on your spouse/domestic partner, he or she must submit a Medical History Statement. If you wait for open enrollment, a Medical History Statement will be required and must be approved for any amount.

Optional Insurance

How to Decide if You Need Life Insurance

Costs for Supplemental Term Life Insurance for you and your spouse/domestic partner are based on **your** age. Costs for covering eligible children are fixed, and the monthly premium is the same regardless of how many children you cover.

When deciding if you should buy life insurance, ask yourself the following questions:

- Am I solely or largely responsible for the financial well-being of my family?
- Would my family need additional income to live on if something happened to me?
- Should I elect coverage now because no Medical History Statement is required but would be required later, and I might not qualify?

If you answered **yes** to these questions, you may want to consider purchasing supplemental life insurance.

Costs for Covering Yourself and Your Spouse/ Domestic Partner for Supplemental Life Insurance

Costs for Covering Your Children

Optional Insurance

AD&D

To supplement your Basic and Supplemental Life Insurance, you may purchase Accidental Death and Dismemberment (AD&D) Insurance for yourself, spouse/domestic partner and/or children. AD&D Insurance pays a death benefit (principal sum or full insurance amount) if the insured person dies due to an accident; it also pays a percentage of the death benefit if the covered person loses a limb(s) or becomes paralyzed. For example, a person who is covered by AD&D Insurance would receive 50% of the principal sum (full insurance amount) if he/she lost a limb from an injury relating to an accident.

You can cover yourself in \$25,000 increments up to \$500,000. The amount of coverage for your dependents is a percentage of your coverage amount. For example, John Smith has "Employee and Family" coverage for himself and his two children (no spouse). If one of his children dies, he receives a payout of 20% of the principal sum. If John had a spouse, he would receive 15% of the principal sum if his child were to die. Charts showing costs and payout percentages can be found on the next page.

How to Decide if You Need AD&D

If you don't have life insurance or other insurance plans to cover your family if something should happen to you, you may consider purchasing AD&D coverage.

Optional Insurance

Long-Term Care

The City offers a Long-Term Care Program underwritten by John Hancock Insurance Company. The plan covers services such as:

- Skilled, intermediate, and custodial nursing home care;
- Therapy ordered by a physician and provided by a registered nurse or other qualified health care professional, and
- Assistance with the activities of daily living, such as bathing, eating, or dressing, provided by formal or informal caregivers.

New employees are guaranteed acceptance if you enroll within 60 days of your hire date. Guaranteed acceptance means that you cannot be turned down regardless of any existing medical condition. You can enroll in the Long-Term Care plan at any time, but if you wait and enroll later, you will have to provide proof of good health and could be denied coverage.

Long-Term Care coverage is available to your spouse/domestic partner, parents and parents-in-law, grandparents and grandparents-in-law, siblings and their spouses, children and their spouses. All must be age 18 or older. Family members can enroll at any time, but must provide proof of good health (a form is included in the enrollment kit). Family members can enroll even if you choose not to accept coverage.

The Long-Term Care plan covers services such as:

- Skilled, intermediate, and custodial nursing home care;
- Therapy ordered by a physician and provided by a registered nurse or other qualified health care professional, and
- Assistance with the activities of daily living, such as bathing, eating, or dressing, provided by formal or informal caregivers.

Our plan provides options that can make coverage more affordable, including:

- Choice of a daily maximum benefit amount from \$100 to \$300
- Built-in inflation protection or the opportunity to purchase additional coverage in the future (future purchase option).

You should consider purchasing Long-Term Care Insurance if you have a history of disabling hereditary illness in your family (such as Alzheimer's Disease), if you have an existing medical condition that will worsen over time, or if your family would have to use savings or sell assets to pay for long-term care.

For more information or to request an enrollment kit, visit the John Hancock website <http://cityofseattle.jhancock.com/> (user name: cityofseattle; password: mybenefit) or call a representative at 1-800-439-3030.

How to Determine if You Need Long-Term Care Insurance

Flexible Spending Accounts

Flexible Spending Accounts

The City's Flexible Spending Account (FSA) Plans allow you to set aside pre-tax dollars from your paycheck (\$300 annual minimum, \$5,000 annual maximum for each plan) to pay for eligible expenses not covered through other benefit programs. When you put money into an FSA, you do not pay federal or Social Security taxes on it. As a result, your taxable income is reduced and your taxes are lower.

You can sign up for flexible spending accounts within 31 days of your hire date, during an open enrollment period, or within 31 days of a qualifying change in family status. There are two types of FSA Plans:

Health Care Account

Health Care FSA – allows you to set aside money to pay for expenses not covered by your health plans (e.g., deductibles, copays, or expenses for orthodontia that exceed the plan maximum). You can also pay for many over-the-counter drugs such as cold and flu remedies, pain relievers and antacids. Vitamins can be an allowable expense when prescribed by your doctor; include the prescription with the request for reimbursement. Health care premiums are not eligible expenses because they are already deducted from your paycheck on a pre-tax basis. You must submit receipts for reimbursement by March 31 of the following year.

Dependent Care Account

Dependent Care FSA – allows you to set aside money to pay for eligible dependent care expenses for your child, disabled spouse, or dependent parent (or anyone who qualifies as a dependent on your IRS tax form) while you and your spouse/domestic partner work (\$5,000 annual maximum).

As you incur eligible expenses, you submit bills and receipts, and receive reimbursement up to the amount you elect to have withheld from your paychecks throughout the year. There are restrictions on the amount you can contribute and the types of expenses that can be reimbursed. Money left in the account at the end of the year cannot be refunded.

Workers' Compensation

If you are injured at work, you will be covered by the City's self-insured Workers' Compensation program. You are covered as soon as you start work. For more information on this program, contact your department's Human Resources Representative.

Work Life Programs

Employee Assistance Program (EAP)

The EAP provides professional assistance in dealing with issues such as eating disorders, stress, family relationship concerns, work-related problems, financial issues and alcohol and drug problems is available for you and your family through Wellspring Family Services. No enrollment is necessary. Employees and/or family members can receive up to six 1-hour visits per year free of charge. To reach Wellspring Family Services, call (206) 654-4144 or (800) 311-0216.

Alternative Dispute Resolution (ADR) Program

The City's ADR Program provides dispute resolution training and services for City departments and employees to help them develop skills to prevent, resolve or manage workplace conflict in a collaborative manner. ADR can help you determine the best conflict resolution process to fit the issue at hand. Talk to a trained mediator or set up a mediation session to solve disagreements in work style, personality conflicts, or other workplace issues. This is a voluntary, confidential program. Call 615-0089 or 615-1692. TTY number is 684-7888.

Quit Smoking Program

The City is committed to helping employees become free of tobacco, so the City fully subsidizes the cost of the Quit For Life Program through Free and Clear. Employees (and their eligible dependents age 18 or over) pay nothing for the program. Even the cost of nicotine patches/gum is covered. To enroll, call Free and Clear at 1-866-QUIT-4-LIFE (1-866-784-8454).

Commute Trip Reduction Programs

Visit the City's intranet site at <http://inweb/sdot/ctr> to learn more about Commute Trip Reduction Programs such as the Guaranteed Ride Home and Bike to Work Day. If eligible, you also can park at the Seattle Municipal Tower or SeaPark for a reduced fee twice a month.

Work Life Programs

Transit Pass Subsidy and Tax Savings Program

The City of Seattle encourages employees to use alternatives to driving alone to work. City of Seattle employees are eligible to receive a transit subsidy up to the equivalent of a one-zone peak monthly Metro bus pass.

To sign up for payroll deduction for a monthly or annual transit pass, log on to the Employee Self Service webpage (instructions at <http://inweb/sdot/ctr/transit.htm>).

Eligible employees may purchase a monthly transit pass at a variety of locations in the City, listed here: <http://inweb/sdot/ctr/bus.htm>.

The Internal Revenue Code allows up to \$115 per month (less City subsidy) for transit passes to be deducted from paychecks on a pre-tax basis. Once the deduction has been withheld from your paycheck, the IRS will not allow you to revoke the deduction or receive a refund. Any amount over the allowable maximum will be deducted from post-tax dollars. Actual savings will vary depending on your federal tax filing status and the amount of the transit pass. Employees who purchase a payroll-deducted transit pass are automatically enrolled in the pre-tax plan.

Flexcar

City employees can get a discounted membership in Flexcar. The City will pay the application and annual fees. Your monthly costs as a member will vary depending on how much you use the Flexcar vehicles.

Use a rideshare mode to get to work. Then use Flexcar to go to doctor appointments, do special errands during the day, or drive home after working an extended day. Flexcar vehicles are located throughout Seattle and in Bellevue. You'll have access to the entire Flex fleet on evenings and weekends.

For more information and to apply online, go to www.flexcar.com/cityofseattle.

Leave Policies

Vacation

You earn vacation based on the number of hours you work regular (non-overtime) hours. You accumulate vacation based on a maximum of 80 hours per pay period. (See the vacation accrual chart below.) Approximately 2,088 hours of regular pay status equal one year of full-time employment. Your vacation accrual rate is 12 days per year for your first four years of service. The accrual rate gradually increases to 20 days per year after 20 years of service with an additional day per year of service thereafter to a maximum of 30 days.

You can accumulate two times your annual vacation without penalty. The amount of vacation you have earned and not used is shown on your biweekly paycheck. You may also view this information through Employee Self Service at <http://selfservice/>

You must wait six months after your initial hire date (or your most recent temporary appointment if you provided temporary service and were regularly appointed without a break in service) to take vacation. Follow your department's protocol for requesting and taking vacation.

Your unused vacation balance will be cashed out when you leave City employment, unless your collective bargaining agreement provides otherwise.

Represented Employees - see your collective bargaining agreements for provisions regarding leave policies.

If any of this information differs from the union bargaining agreement, the bargaining agreement prevails.

Leave Policies

Sick Leave

Sick leave is a short-term disability program that pays your wages if you must be absent from work because of your own personal illness, injury or disability which makes you temporarily unable to perform your job. You may also request sick leave compensation when you are absent because of illness, injury or disability of your spouse or domestic partner, parent or dependent child. Finally, you may request sick leave compensation to cover time missed for your medical or dental appointments or to accompany your eligible family member(s) to medical or dental appointments. You are eligible to use available sick leave hours after 30 days of employment.

All regularly appointed full-time employees accumulate 12 days or 96 hours of sick leave per calendar year, at the rate of .046 hours per hour on regular pay status. If you are absent more than four consecutive work days, you must submit a medical certification stating why you needed sick leave and confirming your ability to return to work. In addition, your supervisor may, with justification, require a medical certification every time you request sick leave regardless of the length of your absence. When you retire through the City of Seattle Retirement System you are eligible to receive a cash equivalent of 25 percent of unused sick leave hours, unless your union has elected to participate in VEBA or you are eligible to defer your sick leave into Deferred Compensation. Check with your HR representative.

Sick Leave Transfer

The City has a sick leave transfer program. You may request to receive up to 560 hours of donated sick leave for any single qualifying incident from other employees if you meet all of the following conditions:

For more information on sick leave transfer, see Personnel Rule 7.7.5 and your department's policies.

- You have exhausted, or will exhaust in the current pay period, your paid leave balances due to a personal illness, injury, impairment, or physical or mental condition which is likely to cause you to go on leave without pay, or to leave City employment.
- You provide a medical certification from your health care provider verifying the nature and expected duration of your condition and the need to be off work.
- You have used your sick leave balance judiciously.
- You are not eligible for benefits under SMC Chapter 4.44 or under the State Industrial Insurance and Medical Aid Acts.

You may also donate 8 or more sick leave hours to an approved recipient employee provided the donation will not cause your sick leave balance to fall below 240 hours.

Leave Policies

Holidays

Most City employees are eligible for 10 official paid holidays and two personal paid holidays per year. To qualify for a paid holiday, you must be on regular pay status either the day before or the day after the observed holiday. However, if you returned the day after a holiday, but had been on unpaid leave for more than four days immediately preceding the holiday, you would not be eligible for holiday pay. For more information regarding holiday leave policies, consult Personnel Rule 7.6 at

http://personnelweb/personnel/policy/rule_7.6.asp and any applicable union contract.

Here is the 2010 holiday schedule.

You must use your two personal (floating) holidays during the calendar year or you will forfeit them.

Emergency Day

Some union agreements provide for an emergency day. This is a day to take care of an urgent personal situation. Check your collective bargaining agreement for more information.

Leave Policies

Floating Holidays

You will be credited with two floating (personal) holidays on January 1 of each year. Individuals with more ten or more years of service credit receive four personal floating holidays. You may take them in full-day increments at any time with supervisory approval. Personal holidays cannot be carried over from year to year nor can they be cashed out at the end of the year. Use them or lose them!

Employees who work a 4/10 or 9/80 schedule receive eight hours pay per holiday. They must cover the difference with vacation or compensatory time, take it without pay or work flex hours. For more information, see the Personnel Rules at:

http://personnelweb/personnel/policy/rule_7.6.asp. Represented employees should also see their collective bargaining agreements for provisions covering personal holidays.

Funeral Leave

The City provides eight hours of funeral leave, which is not chargeable to sick leave or vacation, to full-time employees attending the funeral of a close relative. An additional eight hours of funeral leave is permitted if funeral attendance requires round-trip travel of 200 miles or more. You may also take up to 32 hours chargeable to sick leave, but the combination of funeral and sick leave cannot exceed 40 hours for any single occurrence. Funeral and sick leave used for funeral attendance are prorated for part-time employees.

For purposes of funeral leave, a close relative is defined as the employee's spouse or domestic partner, and the parent, child, sibling, grandparent and grandchild of the employee or the employee's spouse or domestic partner. Step parents as well as adoptive and foster parents are included. Your department head may also approve the use of up to 40 hours of sick leave for a full-time employee to attend the funeral of a relative other than a close relative.

You may, with supervisory approval, take vacation or other discretionary leave to attend the funeral of a friend, co-worker or other individual who is not a close relative. You may also take vacation or other discretionary time off if you need additional time to settle the deceased's estate and other affairs, or to properly mourn your loss. For more information about funeral leave, see the Personnel Rules at: http://personnelweb/personnel/policy/rule_7.8.asp

Leave Policies

Military Leave

Upon presentation of your military orders, you are eligible for up to 15 working days of paid military leave per calendar year. A “working day” for purposes of military leave is usually equivalent to your regular workday. For more information see the Personnel Rules at: http://personnelweb/personnel/policy/rule_7.9.asp

You will be granted job-protected leave to enter the United States armed services. Generally, you may be gone for up to five years. You will be returned to your job as long as you are honorably discharged and report to work within the time period specified by state and federal law.

Family and Medical Leave

The City provides up to 90 calendar days of unpaid Family and Medical Leave per year. You may receive this in addition to any paid leave for a properly certified Family and Medical Leave qualifying condition. You may take your paid leave in addition to, or instead of, the unpaid Family and Medical Leave. When you use Family and Medical Leave for the non-medical care of your newborn child or for a child who has been placed with you for foster care or adoption, you must provide 30 days advance notification, when possible. You must also write and sign a memorandum attesting to the date of the child's birth or placement with you. When you use Family and Medical Leave for your own serious health condition or to care for the serious health condition of an eligible family member, you must provide as much notification as possible. You must also submit your health care provider's certification of a serious health condition. Additionally, you will need your health care provider's release to return to work. For more information see Personnel Rule 7.1 at: http://personnelweb/personnel/policy/rule_7.1.asp

Sabbatical Leave

You will be eligible to request an unpaid sabbatical leave of absence of up to 12 months after completing the equivalent of seven years of continuous full-time regular City employment. A sabbatical leave differs from a personal leave of absence in that returning to your job is guaranteed. (This guarantee is no greater than if you were not on leave.) In addition, you will receive health care benefits at the rate of one month of coverage for every year of completed employment, to a maximum of 12 months. You may also cash out any unused sick leave over 240 hours at 25% of its current value.

For additional information, go to the Personnel Rules at http://personnelweb/personnel/policy/rule_7.4.asp

Employee Rights and Responsibilities

Your Work Environment

As a City employee you have a number of rights and responsibilities.

You have the right to a work environment that is free from discrimination and harassment based on race, gender, age, national origin, color, creed, gender identity, religion, ancestry or presence of any sensory, mental or physical disabilities. You should report any incident of illegal harassment or discrimination you experience or witness to the proper authority. You will find the procedure for reporting and investigating allegations of workplace harassment at <http://personnelweb/personnel/safety/policies.asp#wvp>

Employment

Your position (job) may be represented under the terms of a collective bargaining agreement between the City and an authorized union. If so, you are eligible for all the rights and conditions of employment described therein. The provisions of your collective bargaining agreement will supersede any Personnel Rules, policies or procedures with which they conflict.

You have the right to compete openly for City jobs for which you are qualified. You may use City time and equipment (e.g., computers, and copiers) within reason, to participate in City job application, interview and testing processes.

Please note: We've made every attempt to ensure the accuracy of this information. If there is any discrepancy between this booklet, the insurance contracts, other legal documents or the terms of an authorized collective bargaining agreement, the contracts, legal documents and applicable collective bargaining agreements will always govern. The City of Seattle intends to continue these plans indefinitely but reserves the right to amend or terminate them at anytime in whole or part, for any reason, according to the amendment and termination procedures described in the legal documents. This booklet does not create a contract of employment with the City of Seattle.

Retirement

Deferred Compensation Savings Plan

The City offers two programs to help you prepare financially for retirement.

You may participate in an IRS Section 457 Deferred Compensation Plan administered by Prudential Retirement. You may enroll any time throughout the year. This plan allows you to save a portion of your annual income to supplement retirement funds. Contributions are made through payroll deductions from your pre-tax gross pay. You have the choice of several investment options to diversify your savings. For more information regarding the Deferred Compensation Plan contact Prudential at 1-800-833-5761.

- You may enroll, as well as start and stop your contributions to this program, at any time.
- You may contribute as little as \$20 per month and as much as 50% of your annual taxable income up to the annual limit shown below.
- You do not pay federal income tax on your money until it is withdrawn.
- You can apply for a loan, not to exceed the lesser of \$50,000 or half your account balance.
- You are eligible to withdraw your money only when you leave City service, regardless of age.
- Hardship withdrawals are available, subject to IRS rules and approval by the Plan trustees.
- You can deposit a portion of your sick leave balance (if eligible) and all your vacation payout to your account when you retire.
- You may deposit your vacation payout to your account when you leave City service.

Year	Regular Contributions Limit	Contribution Limit for employees over age 50
2010	\$16,500	\$5,500

Seattle City Employees' Retirement System

Membership in the Seattle City Employees' Retirement System is mandatory if you are hired into a civil service job. Upon employment, you automatically become a member. You contribute 8.03% of your salary to your retirement fund through payroll deduction (taken pre-tax). If you are an exempt employee (Civil Service Exempt), membership in the City's Retirement System is optional and you may enroll at any time.

If you are a former City employee and are interested in acquiring service credit toward retirement based on your previous employment, you should contact the Retirement Office for details about available opportunities.

If you have worked for the state or other local governments, ask the Retirement office how you can combine your retirement credits

Active employees are eligible for retirement after accumulating:

5 years of service - and are 62 years of age;
10 years of service - and are 57 years of age;
20 years of service - and are 52 years of age;
30 years of service - you may be any age.

For more information call the City of Seattle Retirement Office at (206) 386-1292, visit their website at www.seattle.gov/retirement or email the Retirement Office at City.Retirement@Seattle.gov.

Retirement System Death Benefit

Active employees are automatic members of the Death Benefit Program. Retirees may choose whether or not to retain this policy. The intended purpose of this policy is to be an adjunct to your burial insurance. The benefit is \$2,000 and payable only to the beneficiary. The premium is \$12.00 per year, deducted in February. The policy has no cash value for the retiree.

Glossary

Balance billing	The amount over and above your co-insurance amount that you may be required to pay if you use a non-network provider. See the explanation for Paying an Out-of-network provider at the end of this Glossary.
Coinsurance	The arrangement by which both the Plan and the employee share a specified ratio of the covered expenses under the policy. For example, the Aetna Open Choice Traditional Plan pays 80% of most covered expenses while the employee pays the remaining 20% of covered expenses once the deductible has been met.
Copay	A fee paid at the time a medical or dental service is provided. A copay may be a percentage of charges, but is usually a flat fee. In general, copayments may not be applied toward the coinsurance or out-of-pocket deductibles.
Deductible	The amount of covered expenses that must be incurred before benefits are paid by the Plan. The deductible is set on an annual basis and there are individual and family deductibles.
Eligible Expenses	Expenses as defined in the health plan as being eligible for coverage. This could involve specified health services fees or "reasonable and customary charges."
Formulary	A list of preferred brand-name and generic drugs. Drugs are selected for inclusion based on evaluation criteria developed by each Plan. Formularies are different depending on the Plan, and may change to include new drugs or to drop brand-name drugs as generic equivalents become available.
Generic Drug	A drug which contains the same active ingredients in the same amounts as the brand-name product, although it may differ in color, shape or size from the brand-name product. It is produced after the brand name drug's patent has expired. It is also called a "generic equivalent."
Network Provider	A medical provider, such as a physician, who has a signed contract to participate in a health plan. Also known as a preferred provider.
Non-network Provider -	A provider who has not signed a contract with a health plan. Also known as a non-preferred provider.
Out-of-Pocket Cost Out-of-Pocket Limit (Out-of-Pocket	The amount not covered by the plan that the plan member pays. This includes such things as coinsurance, deductibles, etc. The amount of copays and/or coinsurance an individual will be required to pay within a calendar year before most covered expenses are covered in full.

Maximum)	
Pre-existing condition	A physical condition that existed prior to the effective date of a policy. In many health policies these are not covered until after a stated period of time has elapsed. The City's medical plans cover all pre-existing conditions.
Preferred Provider	A medical provider, such as a physician, who has a signed contract to participate in a health plan. Also known as a network provider
Preventive Care	Care that consists of routine physical examinations and immunizations. The emphasis is on preventing illnesses before they occur.
Recognized Charge	The charge determined by Aetna on a semiannual basis to be in the 70 th percentile of the charges made for a service or supply by providers in the geographic area where it is furnished.

PAYING OUT OF NETWORK CLAIMS

The following is an explanation of how out-of-network claims are paid by Aetna. This will explain how "Recognized Charges" are used, and how the amount that you are "balance billed" is calculated.

Explanation of Terms

Recognized Charge - The charge determined by Aetna on a semiannual basis to be in the 70th percentile of the charges made for a service or supply by providers in the geographic area where it is furnished. The 70th percentile is determined by the maximum amount that 70% of providers charge for a particular service in the geographic area where the service is provided. For example, if 70% of the doctors in a specific area charge \$100 or less for an office visit, the Recognized Charge at the 70th percentile would be \$100.

Out-of-network reimbursement level – The percentage of the "Recognized Charge" that Aetna will reimburse an out-of-network provider. Aetna uses 60% of the "Recognized Charge" for most eligible claims. The member pays the remaining 40% of the "Recognized Charge."

Out-of-network provider – A provider who does not have a contractual reimbursement relationship with Aetna. When Aetna receives a claim from an out-of-network provider, Aetna determines the "Recognized Charge" and pays 60% of that amount if the out-of-pocket maximum has not been satisfied, even though the provider may actually charge more than the "Recognized Charge."
